

The NEW Horizon Cat

COM-PAC YACHTS
Hutchins CO., INC.
 CLEARWATER, FLORIDA

Horizon Cat Details

Once again, Com-Pac Yachts introduces a truly classic boat for the diehard traditional sailor. The *Horizon Cat* is a real Cape Cod cat with a shallow "fin" keel for added stability and windward performance. We've incorporated our high-aspect kick-up rudder for convenience and extremely light helm. The *Horizon Cat* is quick, nimble, and extremely comfortable with its enormous cockpit and extensive accommodations.

One of the most inviting features is our exclusive Mastendr mast raising system. It will revolutionize your trailer-boating experience. What used to take perhaps a half hour, now requires less than three minutes. Trailer sailing has finally become a real snap.
